Sponsored by the UPMC Department of Neurology and the University of Pittsburgh School of Medicine Center for Continuing Education in the Health Sciences, in partnership with Harvard Medical School
Overview
This conference is designed to educate physicians and residents in the field of Neurology as well as residents, nurse practitioners, midwives and physicians in the field of Obstetrics on issues where the fields of Neurology and Obstetrics intersect.

Learning Objectives
The one-day-long course will feature speakers from multiple disciplines including Neurology, Obstetrics, Anesthesia, Neurosurgery and Ethics. Subjects covered include Preeclampsia/Eclampsia, Headache Management, Epilepsy, Multiple Sclerosis, Myasthenia Gravis, Postpartum Neuropathy, Stroke, Sleep disorders, Neurosurgical Issues in Pregnancy, Complications of Obstetrical Anesthesia, Labor Pain Management, and Ethical Issues in Neurology in Pregnancy. Neurologists may earn self-assessment CME by completing an exam after the course. They will be provided correct answers, a list of references, and their score on the exam as it relates to the score earned by their peers.

Who Should Attend
This course is designed for physicians and residents in the fields of Neurology, Obstetrics and Family Practice as well as midwives and nurse practitioners whose practice includes care for pregnant women.

Continuing Education Credit
This activity has been approved for 8.0 hours of Self-Assessment Category I CME credits for the American Board of Psychiatry and Neurology Maintenance of Certification Program.

For those who do not wish to take the self-assessment exam:
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The University of Pittsburgh School of Medicine designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.7 continuing education units (CEUs) which are equal to 7.0 contact hours.
